

Product Specification Sheet

High Residue Tamper Evident Labels - 98 x 30mm

Product code: TELM-HR

Pack Size: 1000

Size: 98 x 30mm

Product Summary

- High Residue (Dual Layer)
- In-register tamper message
- 98 x 30mm
- Material is specially selected it deforms easily if stretched or heated, but with good initial strength for packing
- Hi-tack adhesive labels will void on almost any surface
- Semi-transparent material you can see through the label so you can't put a new label on top of an old one
- Clear border containing text
- Labels can't be copied like standard void labels such as silver void
- Sub-surface numbering can't be changed without voiding the label
- Counterparts or receipt labels available in no residue so an audit trail is easily created.
- Coded numbering every number is recorded, so we can find when it was made and who it was sent to
