

Product Specification Sheet

Pharmasafe™ CD Denaturing Pouch

Product code: CDP(20)

Pack Size: 20

Product Summary

- 1 Litre
- Eco-friendly alternative
- Multi-layered grip seal
- Clear window
- Visible water and medication fill levels
- Internal pouch of denaturing powder ? no spills or loose powder
- Gusset bottom
- These kits now fully destroy the drugs compared to similar products on the market that only encapsulate the drugs - a much safer method of drug denaturing
- Patented technology
- No crushing required
- Wide neck for easy fill

Suitable for tablets

- Very fast acting - turns the contents to a semi-solid gel in just 30 seconds
- Full denaturing process is complete after 1-2 minutes, contents turn green so you know when the process has completed
- Instructions printed on pouch label to help make the process quick and simple
- Single use only
- Product code printed on bag to make re-ordering hassle free
- Complies with Misuse of Drugs Regulation (1985) amended

30% less plastic in each pouch
