

Product Specification Sheet

SpillGel - Super Absorbent Gel 5kg Tub

Product code: SAG5KG

Pack Size: 1

Product Summary

- SpillGel Powder is highly absorbent, with a capability of up to 100 times greater than clay-based products.
- The product starts working within seconds of application, allowing for quick and efficient spill clean-up.
- Specially formulated using unique technology, ensuring superior performance and effectiveness.
- Contains a powerful biocide that effectively combats a wide range of pathogens when used on body fluids.
- Helps mask unpleasant odours during spill clean-up.
- Suitable for various industries, including hospitals, care facilities, doctor's surgeries, and veterinary surgeries, for handling all types of body fluids.
- Can be utilised in emergency situations to promptly absorb hazardous liquids, minimizing potential risks.
