

## Product Specification Sheet

### Sterile Snappable Liquid Swabs

**Product code:** ASLPSVT

**Pack Size:** 100

## Product Summary

- Precision Design: Snappable shaft for precise sampling.
- Liquid Efficiency: Media in liquid form for streamlined performance.
- Versatile Compatibility: Covers key pathogens.
- Sterile Purity: Rigorously sterilized for cleanliness.
- Convenient Bulk: Peel-packed in 100s, cases of 6x 100 for easy use.
- Durable Reliability: Polystyrene shaft, viscose tip, shockproof tube for durability.
- Efficient Diagnostics: Engineered for accurate results.
