

Product Specification Sheet

WIVA™ Infinity Clinical Waste Bin - 50L

Product code: ICWB50L

Pack Size: 10

Size: (l)40 x (w)33.4 x (h)51.7cm

Product Summary

- The base is made from sustainably sourced 100% recycled plastic resin
- Stackable and stable when empty and full, optimising storage
- Certified to UN3291 and performance tested for leak resistance based on ISO23907 and NFX 30-511 standards
- 2 different lid variants available, solid and porthole (built-in handle)
- Labelled with clear sections to record dates, locations, users and appropriate EWC code ready for collection
- Yellow Lid - Waste that requires disposal by incineration (Infectious waste)
- Lid options available in other colours to facilitate correct waste disposal
- Maximum filling weight: 15kg
- Designed for disposal of soft clinical waste, not suitable for hard sharps waste.
